Sir,

25 infra

clause 9 on
page 5 of

(T)

The President, Panchayat Board, Kottur in his letter Ref.C.No.209/40 dated 23-3-1941 (copy enclosed) explains that the increase in the remuneration paid to the Medical Practitioner was due to the actual service rendered by him during the festival. The Medical Practitioner rendered service during festival for one day in 1935, three days in 1939 and four days in 1940 and he was paid Rs.5-0-0, 15-0-0, and 20-0-0 respectively at Rs.5-0-0 per diem as per scale laid down in G.O.No.3510, P.H., dated 4-10-1938. The services of the Medical Practitioner were utilized as per recommendations of the District Health Officer in the bonafide interests and safety of the floating pilgrim population and he was paid remuneration for the days of actual service rendered by him in each year. Hence the increase in the expenditure year after year.

Under the circumstances explained above I request the Government to kindly accord sanction to the expenditure incurred by the Panchayat Board to waive the audit objection.

P. L. Reddy

Vice-President, incharge,
District Board, Bellary.

Extract of the letter Ref.C.No.209/40 dated 23-3-1941,
from the President, Panchayat Board, Kottur, to the President,
District Board, Bellary.

Ref:- Your C.No.1863/41-S.7, dated 16-2-1941.

(T) The remuneration to the Rural Medical Practitioner incharge of the Rural Dispensary, Kottur in the festival area has been paid in accordance with the recommendations made year after year by the District Health Officer, Bellary in his Festival Report Form No.1, as approved by the Director of Public Health, Madras and only in accordance to the scale laid down in Para 9 of the Appendix 2, G.O.No.3510P P.H., dated 4-10-1938. During 1939 the District Health Officer, Bellary recommended remuneration for only three days and accordingly Rs.15/- at Rs.5/- per day were paid. During 1940, the District Health Officer, Bellary in Form No.1 required the services of the Doctor for the benefit of the floating pilgrims for 4 days, and hence an expenditure of Rs.20/- for that year.

(T) The Doctor has been paid for the days he actually did duty in connection with the festival at Rs.5/- per day. The recommendation of the Health authorities are strictly adhered to and in accordance to the G.O. above referred to. I request therefore that the objection may kindly be waived and a general order on the subject may be passed permitting such expenditure to avoid such Audit Objection.
